

BLUE EXPLORERS ACTIVITY PROGRAMS

ADVANCED ADVENTURE COURSE

(EQUIPMENT RENTAL NOT INCLUDED)

230€

This is the course for you who wish to take your diving skills to the next level. In this course you will advance your knowledge in five different areas of diving. For example by making a deep dive and experience how it feels to be on deeper depths or by practising your underwater navigation skills during a Navigation dive. During five open water dives with a special focus you will learn and become a better diver as in the same time enjoying great dive sites. A good course could contain a deep dive, an underwater navigation dive, a perfect buoyancy dive, a wreck dive and a boat dive. After completing this course you will receive your SSI Advanced Adventure certification which is recognized all over the world.

SPECIALITY

ENRICHED AIR NITROX

105€

How many times have you ever been coming up from a dive wishing you could have stayed just a little bit longer or wishing you could jump back in? Don't miss out and get certified Enriched Air Diver today. Diving with enriched air can increase your no-decompression limits, increase your safety, and reduce the required length of your surface intervals when compared to air. During this course you will learn how to plan and dive with enriched air mixtures of up to 40% oxygen.
